Truckers wary of expanded ban

By [illegible] **Associated Press**

Truckers are wary of an expanded ban on trucks in the Houston area, fearing it could hurt the economy and create more jobs. The ban, which would restrict trucks to only one lane on the highway, is being considered by the state legislature. The ban is being proposed as a way to reduce traffic congestion and improve air quality. However, truckers argue that the ban would hurt the economy by making it more difficult for businesses to transport goods. They also argue that the ban would create more jobs by forcing businesses to hire more people to transport goods. LIFE IS A WALK IN THE PARK

Il tuo stile si esprime in ogni tua mossa.
Scegli la tua strada e ti senti a casa. Perché è lì che
sei tu. Qui, in questa dolce casa, sei più park. E, più che mai.

Ma, allora, ti senti... addormentare
in mezzo al verde, con la tua casa.
